OUR CHURCH IN ACTION

FOOD CUPBOARD NEWS . . .

Our MAHN grant money that had to be spent by the end of December 2021 has been spent. We are now left with only our USDA grant money through SHARE, or about \$900.00 per month through June 2022. Since a typical fresh produce order is over \$300.00 you can see we will be a tad short of grant money - we have 4 openings per month - so we will need to tap into our reserves. We do have the needed reserve funds.

Secondly, in order to have a SHARE delivery to the church, we need a minimum order of 30 cases. However, 30 cases of fresh produce would be well over what is needed for one opening and would not last for other openings. Therefore, we need to pick up the produce order for each opening – adding to volunteer time.

We may be receiving fresh produce from Garden of Health located in Lansdale. If this does happen, it may cover at least one opening (there may be several opportunities per month) possibly saving a SHARE order. That would require another pick up of 30 cases from the Garden of Health whenever that produce is available - more volunteer time.

What are the volunteer needs for food cupboard, outside of an opening (stocking shelves and serving families)? In a month's time we have: 8 pick-ups at Giant, 4 pick-ups at Manna, 4 deliveries from Philabundance, 4 deliveries from MAHN, 1 pick-up at Mitzvah, 1 delivery from USDA, 2+ pick-ups at Alderfer Eggs, and now 4 pick-ups at Derstine's (SHARE orders) or Garden of Health. Remember a "pick up" requires driving to the location, loading, returning, unloading, and placing away. A delivery means unloading the vehicle, checking the order, and placing away. To those who already volunteer much of their time, we give you many thanks! Are there others available to serve?

FYI: This February is a unique month as we are open two days in a row – Monday evening, February 28th and then again on Tuesday, March 1st!

Thank you,
Pastor Clay
